Description

Constructed to impress, the wood grain ladderback chair is a stylish selection for any room. The true realistic wood grain finish is what defines this piece of furniture, demonstrating a handcrafted look and feel. Your choice of rich vinyl seat cushion colors enhance this already warm, home-like feel, and is sure to be a welcome addition to any seating arrangement. Unlike other imitation finishes, this comfortable and elegant chair frame boasts a true wood grain finish, complete with true grains and wood-look distress points. You won't believe it's actual steel, until you realize it won't ever wobble - this is a 100% welded frame! Backed by our industry leading 12 year warranty, this chair is environmentally friendly as well.
