### Description

Gone are the days of checking your restaurant chairs every month and tightening screws. Gone are the days of customers wobbling in their chairs during dinner. With Shev Chair's new line of Club and Lounge Seating, these chairs are here to stay!

With a completely welded aluminum frame, you get the best of both worlds: A home-like wood grain finish and the stability only once found in the metal frames of yesteryear...did we mention how lightweight they are too?

Ask your sales rep about this new and exciting line today!
